

Int'l Appl. No. : PCT/EP03/05586
Int'l Filing Date : May 27, 2003

AMENDMENTS TO THE SPECIFICATION

Please delete the header DESCRIPTION immediately after the Title of the Invention.

Please add the following paragraph immediately after the Title of the Invention:

Related Applications

This Application is a US National Phase of the International Application No. PCT/EP03/005586 filed May 27, 2003 designating the US and published in German on January 8, 2004 as WO 04/002544, which claims priority of German Patent Application No. 102 28 746.5, filed June 27, 2002 and German Patent Application No. 102 43 101.9, filed September 17, 2002.

Please add the following header immediately before paragraph [0001] on page 1 of the English translation of the Specification:

Field of the Invention

Please add the following header immediately before paragraph [0002] on page 1 of the English translation of the Specification:

Description of the Related Art

Please add the following header immediately before paragraph [0014] on page 4 of the English translation of the Specification:

Summary of the Invention

Please add the following paragraph immediately before paragraph [0022] on page 5 of the English translation of the Specification:

Detailed Description of the Preferred Embodiment

Please replace the first two headers on page 13 of the English translation of the Specification with the following header:

WHAT IS CLAIMED IS:

Please replace the header on page 17 of the English translation of the Specification with the following headers:

OPEN-PORE METAL COATING FOR JOINT REPLACEMENT IMPLANTS AND METHOD OF PRODUCTION
